About DX (Group) plc:

DX is a well-established provider of a wide range of delivery services to both business and residential addresses across the UK and Ireland. First established in 1975 as a Document Exchange service to the legal sector, DX now provides one of the widest ranges of overnight delivery services in the market, as well as logistics services. Items that DX transports range from confidential documents and valuable packages to large, awkward-to-handle freight, unsuitable for standard conveyors.
